Les applications modernes s'exécutent sur tous les devices *Windows 10*

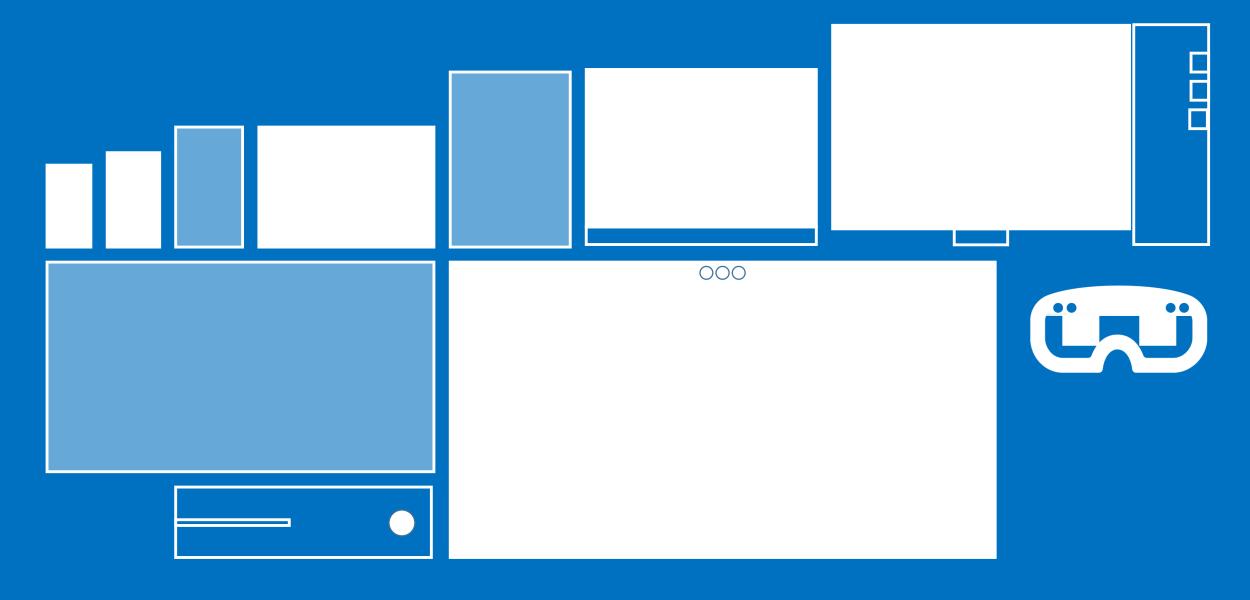

Option 1: *le responsive design*

Option 2 : *le design spécifique*

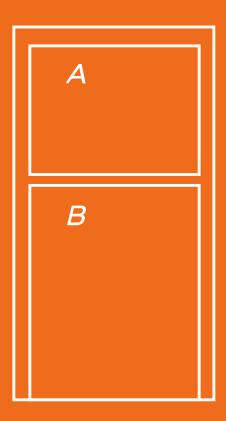

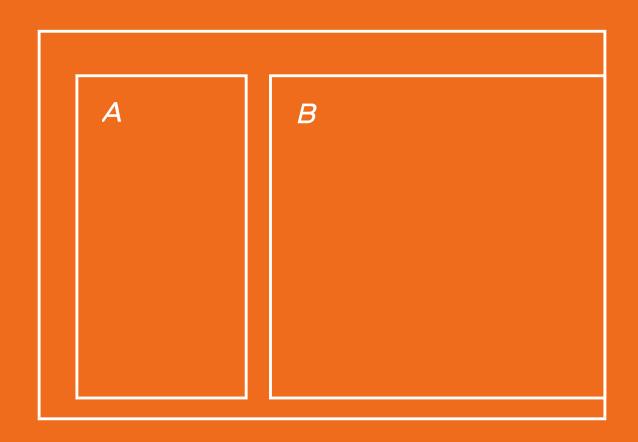

Option 3 : *le design spécifique et responsive*

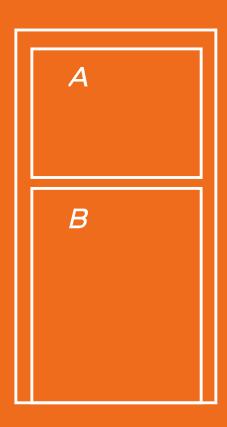

Les stratégies responsives

1. Le re-positionnement

2. Le re-dimensionnement

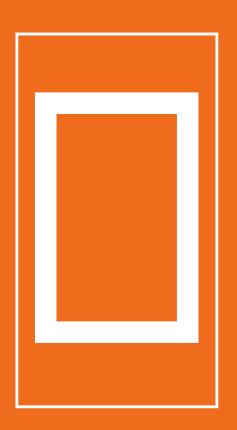

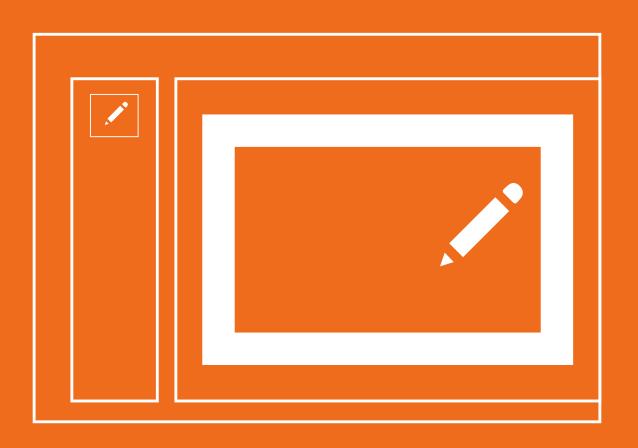

3. Le reflow

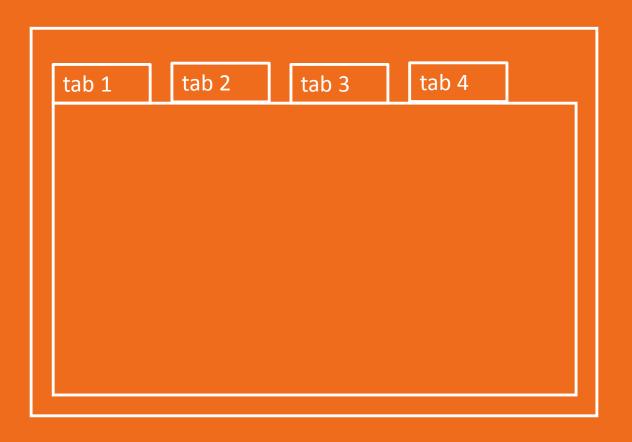

4. Le masquage / l'apparition

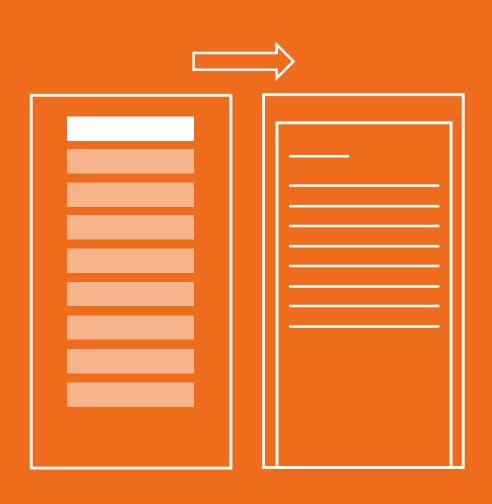

5. La substitution de contrôles

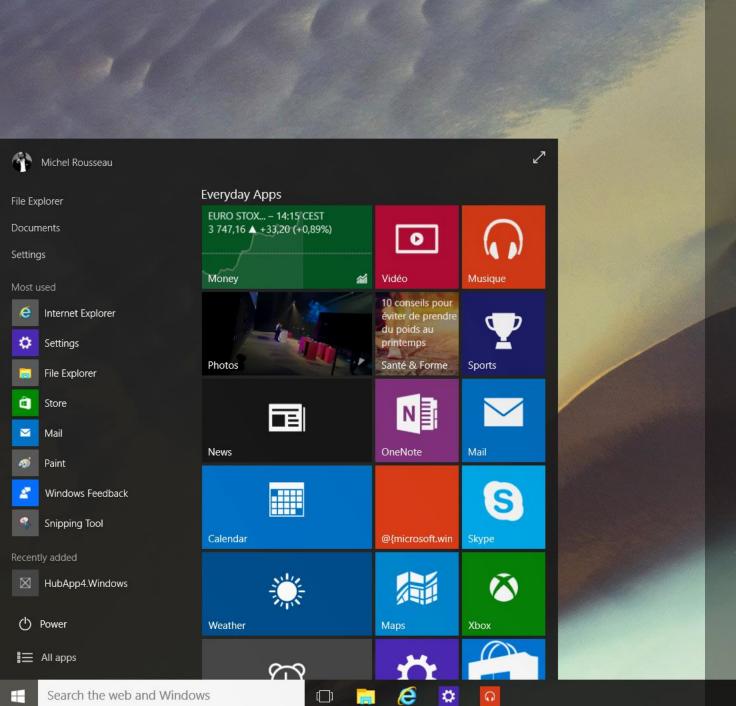

6. Le réagencement
